Unit B1 Astra Park, Parkside Lane, Leeds, West
Yorkshire, United Kingdom, LS11 5SZ

Create cabinet systems using any combination of full height, low level and wall units to lengths suitable for you.

A RANGE OF WORKBENCHES & CABINETS
PERFECT FOR WORKSHOP AND INDUSTRIAL USE.

AVANTA

SUPPLIERS OF WORKSHOP CABINETS, WORKBENCHES, FLOORING AND ROBUST FURNITURE.

Avanta UK Ltd was established in 2000 as a specialist interiors and storage equipment provider, operating throughout the UK.

We can build workshop areas using steel partitions and design and equip the interior with suitable shelving systems and workbenches.

The company has already completed numerous workshop projects from the supply of a single storage unit to a complete workshop refurbishment. Service and quality is the hallmark of Avanta UK and we would be delighted to speak personally to discuss your requirements. Avanta UK can simply supply you with our quality UK Manufactured storage units or you can benefit from a complete workshop refurbishment programme. This includes free, no obligation site surveys and CAD drawings.

Cabinet Systems

**HIGH QUALITY UK
MANUFACTURED STEEL
CABINETS FOR GARAGES &
INDUSTRIAL ENVIRONMENTS**

High quality british made metal workshop storage cabinets arranged in runs to optimise storage space. Available in 4 colours and special colours also available.

Avanta cabinets are modular in 1000mm and 500mm widths so if you do not see the cupboard arrangement you require, please contact us and we will help you to configure your own cabinet runs. These workshop cabinets are of industrial strength, perfect for home or industrial use.

Nationwide installation and space planning service is available. Installation includes positioning, mounting the wall cabinets, fixing the worktops and removing all packaging.

- Cabinets are of a robust welded construction from 1/1.2mm thick sheet steel.
- All units are supplied built up not flat pack.
- Wall cabinets come with relevant fixings.
- Special colours available.
- Hinged double door units are secured by flush 3 way locking handle.
- All drawer units are central locking.
- Sliding doors are secured by camlocks
2x keys per lock are provided.
- Worktops are 30mm thick industrial lino and are to be bonded to the cabinets.
